**LUFKIN Trailers** has designed, manufactured, and marketed high quality Dry Vans, Flatbeds, Drop Frames, Extendables and Dollys. Since 1902 at Lufkin Industries, quality does not happen by chance...Quality happens because we make sure it happens. In 1969 the Trailer Division moved into its present 345,000 square foot manufacturing facility located on 8 acres of land in Lufkin, Texas. Our 500 employees manufacture roughly 4,000 units per year.
