## LPGAS TANK BOBTAILS

Our LPGas tank bobtails range in size from 2,000-gallons to 6,000-gallons. The most common size is 3,499-gallons for a 4x2 truck and 5,500-gallons for a 6x4 truck. Standard options include Blackmer pump, LC meter and Hanney hose reel. Complete truck installation is furnished at our plant in Mississippi.

## LPGAS TANK BOBTAILS

Mississippi Tank Company is the industry leader. For over 60 years, our LPGas Tank Bobtails have been setting the standard for the rest of the World to follow.  
"Quality without Compromise".

**Mississippi Tank Company** is located on 18 acres of land in Hattiesburg, Mississippi and it consists of four manufacturing bays, three warehouses, a machine shop, paint shop, garage and offices. Expanded four times from an original 6,000 square foot structure built in 1945, Mississippi Tank's main manufacturing facility now comprises more than 115,000 square foot under roof. The latest in modern equipment is utilized to fabricate ASME pressure vessels and columns of carbon, stainless and clad steels to exacting specifications. Our 135 employees manufacture roughly 250 LPGas tank bodies and trailers per year.
