

SINCE 1951

# TAG-ALONG TRAILERS

\*One Piece, Cast Steel  
Pintle Eye eliminates chance  
of weld failure at a High Stress point.

**6-TONS  
MODEL BST**

\*Fabricated nose plate securely  
integrates the two (2) mainrails.  
\*Flush mounted, sealed beam lights.

**10-TONS  
MODEL DT**

\*Continuous Main Beam with  
Interlocking Crossmembers.  
\*Heavy-Duty Spring Suspensions.  
\*Heavy-Duty Disc Type Wheels.

\*Torque arms hold axles in alignment  
and allow for easy adjustment.  
\*Steel channel headboard includes a  
convenient stop to secure equipment up against.  
\*2" nominal oak decking is very strong and has longer life.

**25-TONS  
MODEL TDL**

\*Heavy-Duty D-Rings  
\*Harness is modular in design so  
wiring failure is simply repairable.

**COLORS AVAILABLE ARE RED, GRAY,  
BLACK, YELLOW OR WHITE.**

\*PHOTOS MAY SHOW OPTIONAL ITEMS.
